

Supply Our Schools

Buy School Supplies for students across the US

Three Simple Steps

1. Teacher sets up a Supply List for their classroom.
2. Donor buys (through PayPal) supplies they want for the teacher. SOS sends the supplies directly to the teacher's school.
3. Teacher gets supplies and enters thank you notes that are sent to the Donor.

Thank you notes from the kids

"Wow! My own notebook! I really missed being able to use one notebook for all of my classes, but my parents both lost their jobs recently and the economy has been really bad. I know a notebook may seem like a silly gift to some people, but I was so excited when Mrs. T. gave me 2! Now I can put all my school stuff for Day 1 in one notebook and everything for Day 2 in the second. I really appreciate your generosity. Please continue to give to our schools. You are making a difference!"

"Thank you for caring about me even though I don't know you. I really enjoyed using the scissors to make my habitat for my Worldly Zoo project. The crayons really made my display colorful. Thank you for caring about my education."

"Dear Donor, Did you like art as a child? I do. Honestly, it's really the only time that I enjoy school. Your donation to our classrooms helps me to enjoy what I'm learning in school, even math! Thank you!"
